

# Duracoat Ceiling Paint

## Features

- Solid hiding
- Easy application
- Resists spattering when applied with roller
- Tones down ceiling glare and provides maximum diffused light
- Provides beautiful flat finish
- Self Priming

# **Recommended** for

Residential & commercial ceiling applications where matt & uniform finish is desired. For new and previously painted surfaces on cement plaster, hardboards, soft boards and other ceiling substrates.

# **General Description**

Specifically formulated for ceilings, Duracoat Ceiling Paint is ultra flat, hiding common ceiling imperfections for a look that is virtually flawless. Duracoat Ceiling paint provides ample open time to ensure minimal lapping and has minimal spatter.

# Limitations

Do not apply when the temperature is below  $10^{\circ}$ C.
